

# LIVE Connect®

Real-Time Access to More Over-the-Road Carriers in One API Connection

Expand your Carrier and data access with direct data connectivity through Banyan Technology's LIVE Connect® platform. LIVE Connect adds value to your service offerings and drives innovation in your logistics tech stack so you can make better freight buying decisions.

## Expanded Over-the-Road (OTR) Access

Enhanced connectivity unlocks rating, dispatching, tracking and more across all OTR modes:

### Truckload (TL)

Spot Quote, Load Boards, & Static Rate Tables

### Less-Than-Truckload (LTL)

3x More Carrier Connections Than Leading Providers

### Local Carrier

Final Mile, Expedited, Hot Shot, Same-Day & More

### Parcel

Domestic & International Rating & Tracking

### Schedule a Demo Today

## Driving Innovation Throughout the Supply Chain

Banyan's LIVE Connect software integrates seamlessly into your homegrown or enterprise level ERP, TMS and WMS solution to provide expanded Carrier connectivity, end-to-end freight execution, real-time tracking and system of record updates including:

## Multi-Mode Rating

Retrieve and compare rates from OTR Carriers through the following methods:

- API
- Load Boards
- Rate Tables
- Spot Quote

## Document Generation and Retrieval

Generate, submit, and retrieve shipping documents, including:

- BOL: Bill of Lading
- Invoices
- POD: Proof of Delivery
- Shipping Labels

## Tracking & Visibility

Experience real-time tracking updates for all stages of the delivery life cycle when available, including:

- In Transit
- Out for Delivery
- Delivered

## Push Tracking

Receive tracking updates including pick-up and delivery notifications through:

- Email
- Flat File
- FTP
- Webhook

## EDI File Access and Normalization

Retrieve, normalize, and/or send the following EDI formats:

- EDI 204: Tendering
- EDI 210: Invoices
- EDI 214: Tracking
- EDI 990: Dispatching

## Unparalleled Documentation & Support

Create a seamless experience for your customers by leveraging Banyan's:

- Clean API documentation
- Knowledgeable Solution Engineers
- Dedicated Onboarding Specialists
- Award-Winning Customer Support
